About me

I'm an enthusiastic, self-motivated and experienced Web Developer with a true passion for technology. I'm a fast learner in all stuff related with programming. Ingenious, responsible, respectful and disciplined at work.

Education

02/2016 – present	Universidad de la Costa, System Engineer	Barranquilla, Colombia
02/2015 – 06/2020	Centro Cultural Colombo Americano, English	Barranquilla, Colombia

Professional Experience

01/2021 – present	Socobox, Backend Developer I'm focusing on backend stuff related to Ruby on Rails, putting into practice what I've been learning. And I'm developing much more my knowledge of this framework and about the backend itself.	Barranquilla, Colombia
10/2019 – 01/2021	Universidad de la Costa, Web Developer Analyzed requirements and designed, developed, and implemented software applications. Besides, I tested websites and performed troubleshooting prior to deployment.	Barranquilla, Colombia
